

PEAK LEADERSHIP COACHING

PEAK Leadership Executive Coaching is a 6-month personalized program to become a PEAK leader. This one-on-one program is designed to be a transformational experience that will help you redefine your job as a leader. It will fundamentally change your leadership behavior and the lens you're looking through. You will **learn the nine PEAK Leadership Practices**, developed by Chip Conley, best-selling author and CEO of Joie De Vivre Hospitality. Your Executive Coach is both challenging and supportive as they guide you in becoming a PEAK Leader.

Why participate?

With your leadership coach as a partner, you will get **the most personalized PEAK Leadership program** available. Working with your unique leadership challenges and your specific talents, you'll learn how to **create the conditions that inspire PEAK performance**. Chip Conley's nine PEAK Leadership Practices will change the way you lead and enable you to **build a high-performance organization by focusing on the most neglected fact in business – that we are all human**.

What you'll experience

6 months of one-on-one, individualized coaching including:

- Leadership Circle Profile[®], a **powerful leadership development tool**;
- A **clear vision and a plan of action** to become a PEAK Leader;
- **Nine powerful PEAK Leadership Practices**, with specific skills and actions to support you in developing them;
- Audio files that have been created specifically for this coaching program, with **Chip's perspectives and tips on what it takes to be a leader**;
- Ongoing feedback and support.

"When a company embeds PEAK principles and practices in how they grow their leaders, the end result is PEAK performance: a phenomenon of sustained growth – both for the organization as well as for those within the organization."

- Chip Conley

"My coach was creative and supportive. Her style helped me identify barriers and solutions to propel me forward."

- Director, Customer Service

Who Participates?

Senior level executives and managers who want to cultivate their leadership skills and are in a position to influence the organization's culture, strategy, and performance.

Cost:

The fees for one-on-one coaching begin at \$10,000 for a six-month program.
